Hello Corvette Enthusiasts.....

**Wishing you good health, happiness,
and success in 2019 and always.
Happy New Year!**

Our club also has something very special to celebrate in 2019.....

North County Corvette Club will be celebrating its 45th Anniversary! Founded in 1974 by San Diego Corvette Enthusiasts.....we are still going strong and have a great group of enthusiasts, with amazing Corvettes, that will continue to carry the club's legacy into the next decade! Simply put, we are a group of people with a common passion.....the love of our Corvettes!

Looking back into 2018, I believe we had a very successful and exciting year. We had so many great runs and events and that is all due to you, its members, going above and beyond for our club. Thank you again, and with everyone's help and dedication I expect 2019 to be another extraordinary year!

Upcoming, on May 19, 2019, we look forward to our annual Plastic Fantastic 42nd All Corvette Car Show. Once again, a very special Thank you to Sam Rindskopf, who has, once again, volunteered to chair this years' event. Even with all his years of valuable experience, he is still going to need all of our support in order to make our show a success, once again, this year.

And last, but not least, I would like to thank all of my fellow NCoCC Board Members and Committee Members for their dedication and endless support in making our Club a success!

I look forward to seeing everyone at our January 8, 2019 NCoCC Business Meeting. Don't forget to visit our website for all upcoming events.

Dear Lynn,

Thank you for your purchase of a National Corvette Museum Motorsports Park Brick. The success of the Museum depends on the generous support of persons like you.

Your brick is in the **East Side** section of the walkway at the entrance of **Holley Control Tower**. These bricks represent the widespread support from individuals, clubs, and businesses across America and the world.

Your contribution is very important and helps further the mission of the Museum to celebrate the Corvette's invention and to preserve the legendary automobile's past, present, and future.

We appreciate your interest in becoming a part of Corvette history. Again, many thanks for your support. Hope you can visit us soon!

Dear Members,

If you take pictures at any one of our events, please provide them to our Webmaster, Ed Daher, so that he may place them on our website for all to enjoy.

Thank you!
