President's Corner

Hello Corvette Enthusiasts.....

Next up on our agenda is the Past President's Picnic. The theme for this year's event is **"Let's Go Racing."** We will also be incorporating the presentation of the Recognition Awards at the event. Certificates will be presented to the 2018-2019 Board of Directors and Appointees for an outstanding job! Wes and I am so looking forward to relaxing with the club members and sharing some good food and drinks with the group. I'm sure it will be extremely hot, so please bring your bathing suits so you can cool off in the pool or heat up in the Jacuzzi! I will be forwarding directions to all those attending shortly. If you have not already signed up, please email Sam so he can put you on the list.

Also upcoming in August is Main Street America on August 11th, and the National Corvette Caravan to Bowling Green, Kentucky, on August 21st thru August 31st.

I look forward to seeing everyone at our August 13th NCoCC Business Meeting. Please remember that the NCoCC Board meeting for August has been canceled.

The months of August and September have many activities scheduled, so please don't forget to visit our website for all upcoming events. www.ncocc.com

January 2020

- 14 NCoCC Business Meeting. Living Way Church. 7:00 p.m.
- 23 NCoCC Board Meeting.

Mid-engine C8 Introduction at Bob Stall Chevrolet July 22nd

What are the advantages and disadvantages?

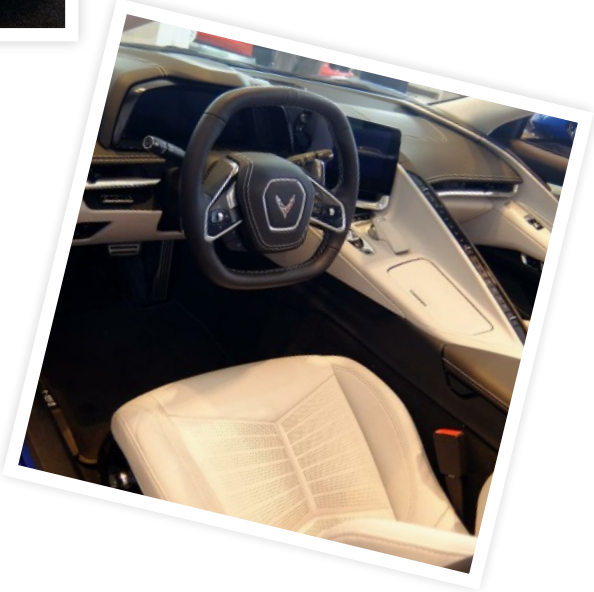

It starts with weight distribution. Putting more weight on the rear-axle car helps with traction when accelerating. Corvettes make ample power these days, and the idea of making it easier to put that power down makes us smile. It certainly doesn't hurt that there's no drive shaft to turn anymore. More weight in back also means less up front, which can only help agility and turn-in prowess. Other benefits include more crumple zone in front and more sound to the driver. Corvettes were never quiet, but having an LT V8 suspended behind your head only increases your connection to the power train.

As for disadvantages, cooling becomes more difficult because the engine doesn't take in all the air at the front of the car. Instead, it needs to travel through various channels to get to critical hot spots. A couple other drawbacks typical to mid-engine cars include no place for rear seats. No problem in 'Vette world. Second, it cuts down on front legroom -- see: McLaren 720S and its teeny pedalbox. It's also more expensive.

So why go mid-engine now?

Because the advantages far outweigh the drawbacks, especially in a car like the Corvette. And since the front-engine super car already beats vehicles twice its price, we expect this new one to do the same, only better.

Mid-engine C8

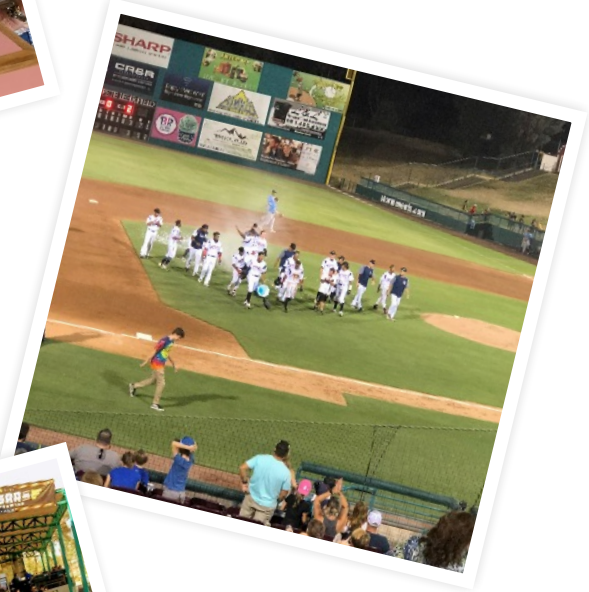

Tuesday Night Dinner
Liberty Station

Every Tuesday USO San Diego offers a hosted dinner. These weekly dinners give service members and military families an opportunity for a night out free of cooking, cleaning and dish duty! Different volunteer groups from local businesses, corporations and civic groups serve up the dinner each week. Dinner is served 5:30 p.m. to 6:30 p.m. **North County Corvette Club serves the dinner the last Tuesday of every month (if we have enough volunteers). Please join us!**

July 27th Storm Baseball

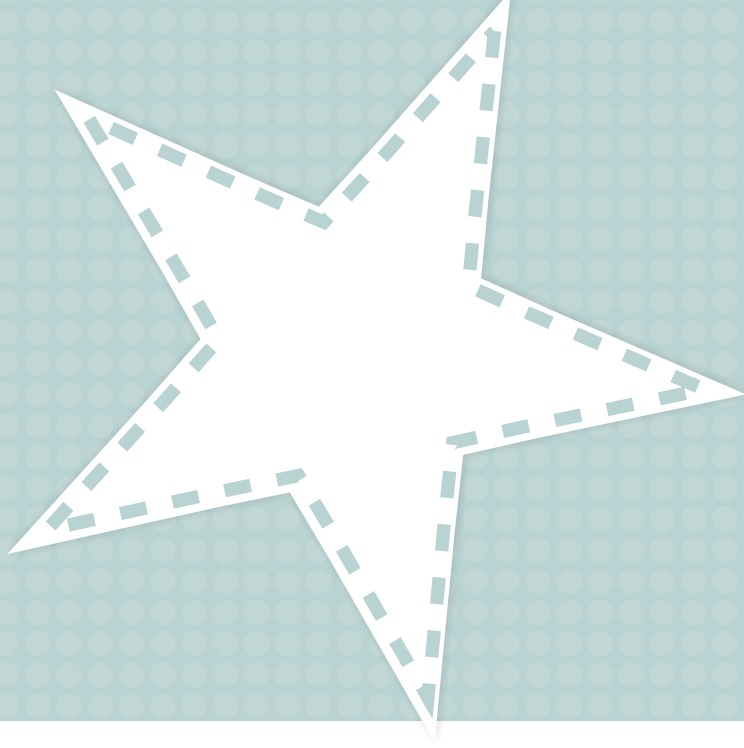

A large group of our members braved 100 degree temperatures to participate in a run up to Lake Elsinore to watch the Lake Elsinore Storm Baseball Team take on the Inland Empire 66ers!

We enjoyed a nice dinner at Don Jose's Mexican Restaurant prior to the game. The game was fantastic going extra innings with the Storm winning 4 to 3.

A special thank you to Dale and Jody Mitchell for suggesting this event and for purchasing the tickets.

Sam Rindskopf

Happy Birthday to You!

August

- 2 Sheila Kopelowitz
- 3 Karen Alexander
- 4 Wayne Osborne
- 6 Dwight Alexander
- 23 Jamie Tyrone
- 26 Ruth Harwell
- 29 Candi Daher

NEW MEMBER

Welcome Mike and Marilyn Hartman!

Mike is a retired police officer with a 2019 yellow Grand Sport Coupe. He found our Club on the Internet and has joined to have fun with fellow Corvette lovers.

This is Mike's 12th Corvette. He has had in his collection a 1963, 1968, 1969, 180, 1978, 1990, 1998 and a pace car.

North County Corvette Club

Who am I?

Who remembers when?
Can you name anyone in the picture?

Dear Members,

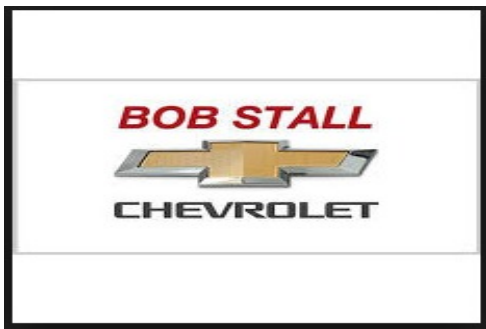

If you take pictures at any one of our events, please provide them to our Webmaster, Ed Daher, so that he may place them on our website for all to enjoy.

Thank you!

Email submission for the newsletter is no later than the 23rd of every month!
kregen@san.rr.com

Our Club

Club members enjoy planned trips, car shows, fun runs, auto rallies and a host of social and Corvette related events, including a Holiday party, an Annual Recognition Dinner, and the NCoCC Plastic Fantastic All Corvette Show at Seaport Village. We support local communities in the San Diego County area by participating in special event parades and high school homecoming events. Our members also devote time, energy and resources in supporting our Club Charity, the USO (United Services Organization) of San Diego.

Meetings

Business Meetings are held the second Tuesday of each month, at 7:00 p.m., at the Living Way Church, Berean Bible Study Room, located at 13609 Twin Peaks Road, Poway, CA. We always welcome and encourage guests to attend our meetings and to participate in our club sponsored events.

For a map of our meeting location, please go to our website at www.ncocc.com.

Membership

Membership is open to anyone at least 18 years of age who owns a Corvette. Applicants must attend two business meetings and participate in one club event before becoming a member.

Membership in NCoCC entitles you to:

A membership card for you and your significant other.

Discounts on parts and services at participating dealers (Bob Stall and others).

A club T-shirt.

Name tags for you and your significant other.

A newsletter via email and/or the website.

Members are expected to attend Business Meetings, maintain current dues, and support the club by serving on committees and participating in club events. Initiation fee is \$25. Dues are paid in advance: \$75 for one year.

We hope this short introduction is helpful.. If you have questions, please contact us via email at info@ncocc.com.
