Hello Corvette Enthusiasts.....

Wishing everyone a Happy Valentines Day

January has, once again, flown by us.....Besides our monthly activities, and a very "challenging" January Monthly Member Meeting, everyone is anxiously planning for our upcoming 43rd Annual Plastic Fantastic All Corvette Car Show to be held on May 17, 2020. This year Mike Hartman has so graciously volunteered to be this years' Chairman of Plastic Fantastic. I am certain that with a little mentoring from Sam, along with our Committee Heads, Mike will be a huge success! Please remember to make sure your name is on the volunteer sign-up sheets and remember to fill out your entry forms and turn them into Kathleen at our next meeting.

Upcoming, we have a very special Valentines Run on February 15th to Cabrillo National Monument and then a very special lunch at the South-western Yacht Club in Point Loma. A special thank you to Jamie and Doug Tyrone for setting up this amazing, romantic Valentine's Day run for our club.

I look forward to seeing everyone at our February 11, 2020, NCoCC Business Meeting. Don't forget to visit our website for all upcoming events. www.ncocc.com

Miniature Engineering Craftsmanship Museum Run

The morning of January 11th was a typical San Diego winter day, bright and sunny. When Donna and I left our home that morning, we were unsure how many folks would be waiting for us at the Club meeting spot by BJ's Brewhouse and Restaurant since this run was a bit of a last-minute fill in for the cancelled Callaway Event. Much to our delight there was a nice group of members waiting for us when we got to BJ's as you can see by the photo! Thank you to all of you who came out for this run.

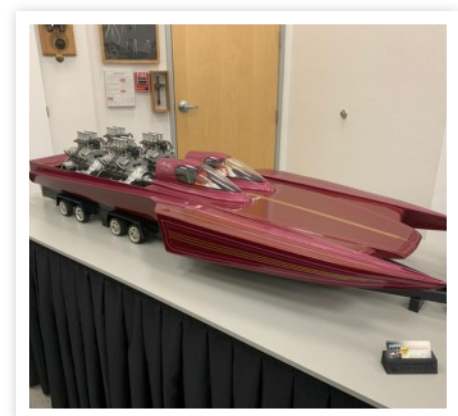

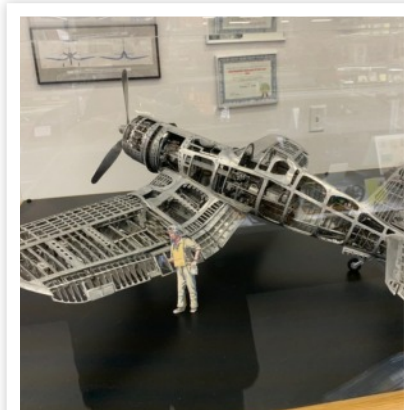

We enjoyed a short drive over to the Museum in Carlsbad and, of course, I drove right past it and we all had to make a U-turn in the parking lot next door, stuff happens right? Once inside we were treated to a special presentation by a very interesting former tool and die machinist whose skills in making miniature stuff were amazing. Check out the picture with the piston in his hand. For those who don't know, the difference between models and miniatures is that miniatures actually function like the real thing. As you can see by the pictures the craftsmanship on display at this museum is unbelievable!

After spending a couple of hours of being blown away these fantastic miniatures we headed for lunch at the Filippi's Pizza Restaurant just a short drive away. The pizza was good and the time spent with friends even better.

Thanks again to all who participated and helped to make this a great day,
Sam and Donna Rindskopf

Who am I?

Happy Birthday to You!
