President's Corner

Hello Corvette Enthusiasts.....

Happy 4th of July

Hoping this letter finds everyone doing well and staying healthy!

We have the results back from our 2020-2021 Board of Directors Elections. First of all, I would like to thank our current Board for their continued support and dedication in upholding the values and tradition of this very prestigious Corvette Club. I assure you that we will always strive to do our best to uphold our Club's policies for the overall success of the club.

I would like to thank the former NCoCC Board Members for all of their hard work during the past year, and welcome the new 2020-2021 NCoCC Board Members:

Vice President – Mark Harwell
Secretary – Ruth Harwell
Newsletter – Kathleen Regenhardt
Sergeant-at-Arms – Mike Hartman
Treasurer – Gary Sadnick
Activities – Sam Rindskopf
Historian – Richard Gilroy
Members at Large - Donna Rindskopf,
Barbara Sadnick and Tom Harper

Also approved as Honorary Member of NCoCC was Amy Hardin, Director of Philanthropy, National Corvette Museum.

Since our last Corvette Picnic-Run to Bates Nut Farm was such a success, please email me your thoughts on scheduling another run in lieu of our monthly July meeting. If we get enough positive responses, Sam will set it up for the club members....tentatively around July 18th.

Please remain vigilant and stay safe

I look forward to seeing everyone at our future NCoCC Business Meeting when it is safe to do so. Don't forget to visit our website www.ncocc.com

NATIONAL CORVETTE MUSEUM (NCM) REPORT

The Corvette Museum is OPEN and again delivering cars and raffling cars.

On June 23rd Corvette production hit a new high of 115 cars that day.

On June 24th the museum received two car carriers of NEW productions and will continue delivering C8's to excited customers.

2022 Z06 prototypes are being seen around the US and Canada with a wider body and that flat plane crank sound!

New C8's are selling well by dealers that lost their ordering customers and the market is 10k over MSRP to as high as 25k over!

GUIDE DOGS FOR THE BLIND (GDB) REPORT

Hello everyone!

GDB is currently creating the processes and procedures that will be needed for teams to safely return to campus and begin the work of dog training and client training once again. Plans are moving forward, with stages being identified for each step of the way. Safety for our staff, volunteers and clients is our #1 concern.

I recently received guidelines on how to begin conducting group meetings and socialization outings with our club's puppy raisers. These activities will begin in July.
