President's Corner

Hello Corvette Enthusiasts.....

The month of May has two very important holidays to celebrate and reflect upon.....

On May 9, 2021, we get to honor and show our deep appreciation to all of our Mothers. I personally would like to wish all of our "Corvette" Ladies a very Happy Mother's Day!

Also, upcoming is Memorial Day, on May 30, 2021, when we commemorate the men and women who have died **making the ultimate sacrifice for their country**, reflecting on their service and why we have the luxury and freedom that we enjoy today.

And last...but not least.....GREAT NEWS.....We get to go back to our Monthly Meeting place!

We have been given the "OK" to return to our meeting place at the Living Way Church! Masks will be required unless eating or drinking as per the CDC guidelines. We will not be holding any of our raffles as we will slowly need to get into the routine again. But just being able to get together again is definitely a sign that things are returning to "somewhat" normal again. Also, at our May meeting we will be distributing ballots for our upcoming election for our 2021-2022 Board.

I look forward to seeing everyone at our next scheduled NCoCC Member Meeting on May 11th at the Living Way Church, 13609 Twin Peaks Road, Poway, CA, 92064. Don't forget to visit our website for all upcoming events. www.ncocc.com

NATIONAL CORVETTE MUSEUM (NCM) REPORT

The last weekend in April was the National Corvette Museum BASH. The Plant Manager of Corvette Assembly showed a new 'short wing' that will be available on the 2022 Corvette. He also showed samples of the new variations of 3 colors including Amplify Orange, Hypersonic Gray and Caffeine (replacing Zeus Bronze). To see more of what Kai and Taj said for the future, you can find their talks on the Internet.

Keep Driving your Corvettes.

GUIDE DOGS FOR THE BLIND (GDB) REPORT

As I mentioned last month, we have started getting back to the routine of getting to take our puppies out for socializing and training. We went to Old Poway Park last week for our pups quarterly evaluations by our Community Field Rep (CFR). This was the first one we have gotten to do in person for a year. The past ones were done by Zoom. It was great getting out and seeing familiar faces in person and see our pups do well. Jack (Kathleen's & Hannah's pup) is 17 months and is on a brand new training program to see if his confidence and sensitivities can get better after all the COVID lock down. This is a trial period that GDB is trying for a lot of their puppies to bring success to more of these COVID raised puppies. Cam (Rindskopf's pup) is 5 months and did well on his first outing & evaluation. Lyric is still with the Sam Simon Foundation and training for a hearing impaired person. Malta is in phase 6 out of 8 of her formal training and we are keeping our fingers crossed she will soon be matched and graduate.

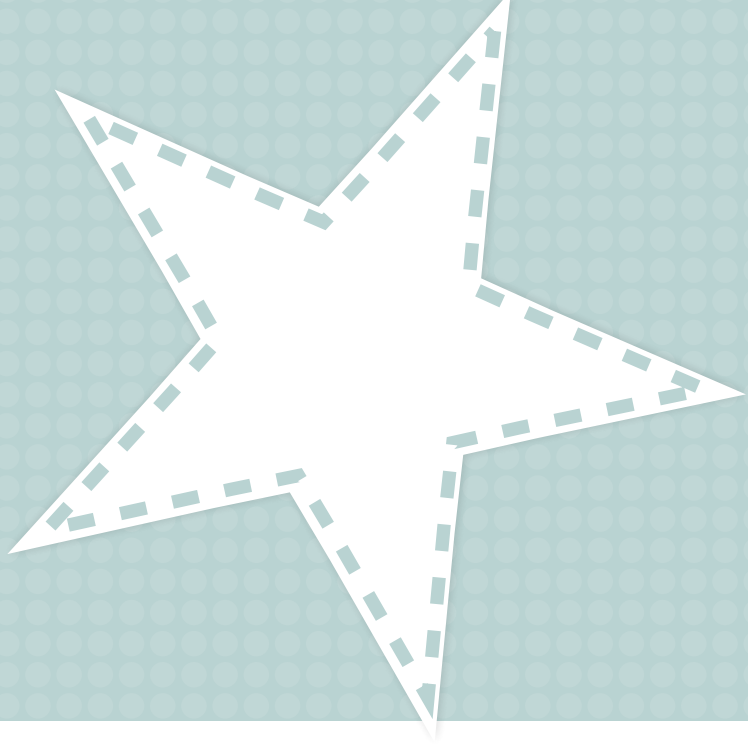

Thank you for your support ,
