## *President's Corner*

### ***Hello Corvette Enthusiasts.....***

### *Hard to believe Fall is here.....*

Once again, everyone had a great time socializing at the Past President's Picnic. The theme for this year's event was "***Corvette Racing Forever.***" We also incorporated the presentation of the Recognition Awards at the event. Certificates and a "Thank You So Much For your Dedication" gift was presented to the 2020-2021 Board of Directors and Appointees for an outstanding job! Wes and I totally enjoyed spending the day relaxing with the club members and sharing some good food and drinks with the group....besides, it was so awesome seeing all the Corvettes parked in our driveway!

Upcoming in September we have the Prescott Vette Sette Car Show on September 23<sup>rd</sup> thru 25<sup>th</sup>, and the Long Beach Grand Prix on September 24<sup>th</sup> thru 26<sup>th</sup>. In November we have the Vettes for Veterans Car Show on November 6<sup>th</sup>. Plans for our NCoCC Holiday Dinner Party, to be held December 18<sup>th</sup> at the Southwestern Yacht Club, are in the process of being finalized....further details to follow.

I look forward to seeing everyone at our September 14<sup>th</sup> NCoCC Member Meeting.

There are many activities scheduled throughout the balance of the year, so please don't forget to visit our website for all upcoming events. [www.ncocc.com](http://www.ncocc.com)

## **Keeping you informed.....**

### **NATIONAL CORVETTE MUSEUM (NCM) REPORT**

The National Corvette Museum is getting ready for the 27th Anniversary Get Together next weekend; it will be very different with minimal contact with people, but the Bowling Green Plant will make a lengthy presentation on the state of the Corvette going forward.

Corvettes at Carlisle went on this past weekend with a presentation by Harlan and others. The C8-R Corvette, which will be available in 2022, was available to see. 1000 Numbered cars will be produced. 2022 Production will start on September 6th. 3 new colors will be available and sample cars at Carlisle.

The 2023 Z06 was not discussed as an official presentation will be made on October 26th. 2 of the pictures enclosed are Graphics of the 2023 Callaway Corvette that will begin when Z06 production is available.

Keep Driving your Corvettes,

Dwight Alexander  
Corvette Museum Representative

### **GUIDE DOGS FOR THE BLIND (GDB) REPORT**

Hi Everyone,

I hope you are enjoying your summer and being careful to stay healthy.

Last weekend we got some of our puppy raisers together and walked around the Carlsbad Outlets to work on crowds, strange obstacles, different smells and other dogs for our training. We had some new prospective raisers join us and enjoyed learning about the socializing of these awesome Dogs. A couple of them worked with Cam to get the experience. Cam was very excited around the birds so that was a new challenge to work on. Jack stressed a little, but overall handled it all pretty good.

Malta (FBL) is still in formal training at phase 7 and Lyric is still doing very good on her hearing impaired training at Sam Simon Foundation. She will be graduating soon and Sam and I have a trip planned to visit her in September and meet the trainers there. It will be great to see her after so long.

GDB has increased their breeding again so, hopefully, we will be having some new puppies join us soon.

Take Care and Have a Tail Waggin Day!
