### ***Hello Corvette Enthusiasts.....***

I hope everyone is staying healthy, safe and well during this unprecedented period of change and disruption brought forth by the COVID-19 pandemic.

As everyone knows, we had to officially cancel our 43<sup>rd</sup> Annual Plastic Fantastic All Corvette Car show, initially scheduled for May 17, 2020. Also, our monthly Business and Board meetings are cancelled until further notice.

Even though we are only several weeks into this national emergency, it is hard to think of this being the norm for the next few months. Besides trying to keep our business up and running and our employees safe, Wes and I have been organizing, gardening, washing and detailing and trying to stay sane in a confined area! The best thing we do is just go outside in our back yard and take in the beauty and tranquility of the landscape. It is so difficult to believe what is going on around us until you come down the hill and try to go shopping....still can't figure out what the toilet paper hoarding is all about?? What I really miss is the personal contact with our family...the hugging and kissing my children.....very sad! I also miss the comradery with all of our club members...my second family.....I cannot urge everyone enough to stay safe and healthy so we can soon be back on the road with our runs and activities.

I would also like to wish everyone a Happy Easter. We still all have a lot to be thankful for...support from our family and friends, especially our furry friends, and hope, in the fact that, we will all pull through this crisis soon!

Please remain vigilant and stay safe .....

I look forward to seeing everyone at our future NCoCC Business Meeting when it is safe to do so. Don't forget to visit our website [www.ncocc.com](http://www.ncocc.com)

## ATTENTION ALL NORTH COUNTY CORVETTE CLUB MEMBERS....

Despite COVID-19 shutting down all activities, upcoming in April we will need to ask for three (3) volunteers to form an Election Committee to solicit club members for leadership nominations for the 2020-2021 NCoCC Board.

This could be a great way of communicating with our other club members in this time of self-quarantine.

In accordance with NCoCC By-Laws, we will need to act on the following:

- Form an election committee in April
- Open nominations in May
- Conduct elections in June
- Transition between Boards in July

I will be sending out additional information in the April Agenda. I am quite certain that because of the current CDC restrictions, there will not be an April Business Meeting, but we will continue to monitor all Federal and State guidelines.

Please feel free to contact myself, or any of our current Board Members should you have any questions or wish to volunteer for the Election Committee.

Once again.....Please stay safe and healthy!

Best Regards,

***Rosemary***

# How do you quarantine?

We are in a time of uncertainty; living with fear and anxiety. As much as we need to take care of our physical health, please remember to take care of your emotional health as well. Continue your social distancing and remember to wash your hands frequently. Also, connect with people you love, or your Corvette buddies, via your phone and computer/tablets.

**Hope you enjoy this little section of our newsletter this month and that it brings a smile to you!**

Lots of movies, Netflix and Amazon Prime! Thank goodness, there is

### ***Keeping you informed.....***

#### **NATIONAL CORVETTE MUSEUM (NCM) REPORT**

Museum is closed.

Corvette Factory closed March 19<sup>th</sup>  
having produced up to Vin 2703.  
Tentative date of April 6th to reopen.

Had a one hour telecom with west coast  
Corvette clubs and the CEO of the  
Museum. The CEO mentioned trying to  
combine with large car museums in the  
area as a fundraiser for the museum.  
Sales of Corvette raffle tickets are way  
off and is a major fundraiser for the  
museum. Also discussed was the  
museum attending more car events  
in the future.

Dwight Alexander

P.S., If you would like to participate, the  
Museum is hosting a couple of video  
Series;

#### **GUIDE DOGS FOR THE BLIND (GDB) REPORT**

Just a little update on our club's new charity San  
Diego Northwest Guide Dog Puppy Raisers.

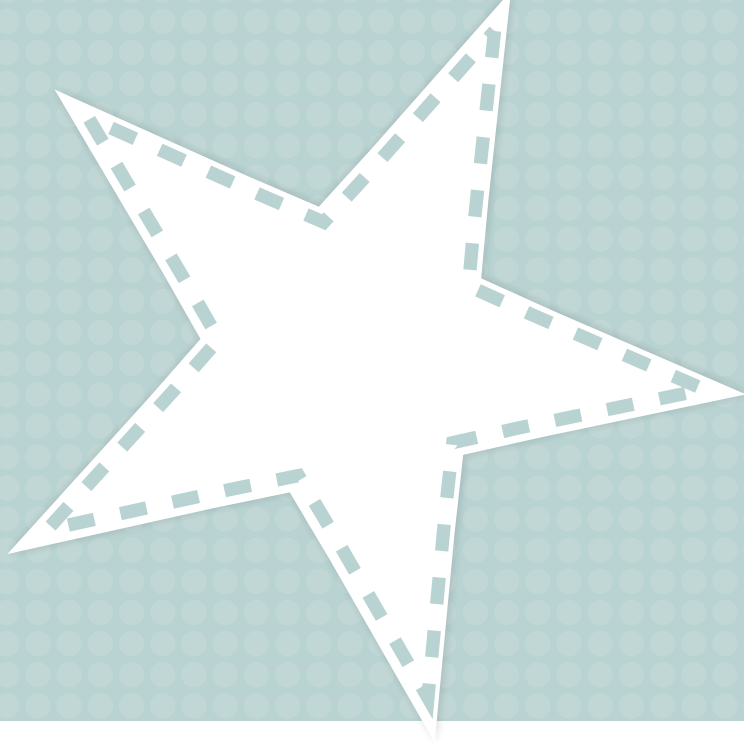

First, I would like to thank the Plastic Fantastic  
registrants that have donated their checks to our  
Organization.

Our puppy raisers have been advised by GDB to  
stay home with their puppies and not take them out  
to socialize, or to meetings, so we can keep our  
families & others safe. As GDB has stopped future  
training of dogs, cancelled graduations and other fund  
raising events to keep their staff healthy and safe,  
they have asked puppy raisers to keep puppies in their  
homes longer before recall. We have also been asked  
if we could take puppies back that we raised and were  
in for training to help eliminate staff to come on  
campus to train. They are only keeping the essential  
employees on campus. Last week Kathleen, Sam & I  
drove to Ontario to pick up Lyric and Humble to bring  
them back home until further notice. Lyric, Humble  
and all of us were happy to take them back and help  
out.

Thank you for your support.

Stay safe and healthy!

Donna Rindskopf

Happy Birthday to You!
