### ***Hello Corvette Enthusiasts.....***

*Wishing Everyone a Healthy and Joyous Holiday Season*

It is hard to believe that 2020 is finally coming to an end!

This has definitely been a year that we will never forget! Wes and I would like to wish all of our North County Corvette Club members and their families a very happy holiday season. Despite these difficult times, 2020 has definitely been full of challenges..... and we all pray that 2021 will bring more certain times for all of us and our families.

I truly wish that things could have been different and that we would have been able to have more member meetings, attend cars shows, host Plastic Fantastic and just enjoy each others' company, but COVID-19 prevented us from experiencing life's most simple pleasures! I firmly believe that 2021 will provide us with a safe and healthy place to live in once again!

Please remain vigilant and stay safe and healthy .....

I look forward to seeing everyone at our future NCoCC Business Meeting when it is safe to do. Don't forget to visit our website [www.ncocc.com](http://www.ncocc.com)

## Feeling

(Of dealing with COVID-19)

By Sandra A. McShane

I don't know how I'm feeling.  
I think I feel all right.  
I'm busy doing nothing  
From morning until night.

I don't know how I'm feeling.  
I left the house today.  
I went to do some shopping.  
I sang along the way.

I don't know how I'm feeling.  
Today I'm not too sure.  
The numbers keep on climbing.  
Will they find a cure?

I don't know how I'm feeling.  
I just don't need this stuff.  
Some cake and wine and chocolate,  
But boy this thing is tough.

I don't know how I'm feeling  
When I stand and clap so loud.  
So grateful, happy and so sad  
In the isolated crowd.

I don't know how I'm feeling.  
I saw the news today  
But only very briefly.  
Why won't it go away?

I don't know how I'm feeling.  
I don't know if I'm sad.  
My friends and family, they're all fine.  
For that I am so glad.

I don't know how I'm feeling,  
But this I know is true.  
We're all in this together.  
It's me and them and you.

Do you know how you're feeling?  
You know that it's okay  
To sit and cry and wonder,  
To want a better day.

Let's just hold this feeling  
Of love, of light, of hope.  
Let's relish all the quiet.  
Be proud of how you cope.

I don't know how I'm feeling.  
I think I want to cry.  
I don't - I make a coffee  
And stare out at the sky.

Today I got the feeling  
That soon this will be done.  
Our lives will change forever,  
But look up at the sun.

You know that deep down feeling  
Of joy, of loss, of pain,  
The love, the sadness and the hurt.  
You'll be okay again.

One day we'll get that feeling -  
Was all this even real?  
Hold onto that feeling.  
In time we will all heal.

### GUIDE DOGS FOR THE BLIND (GDB) REPORT

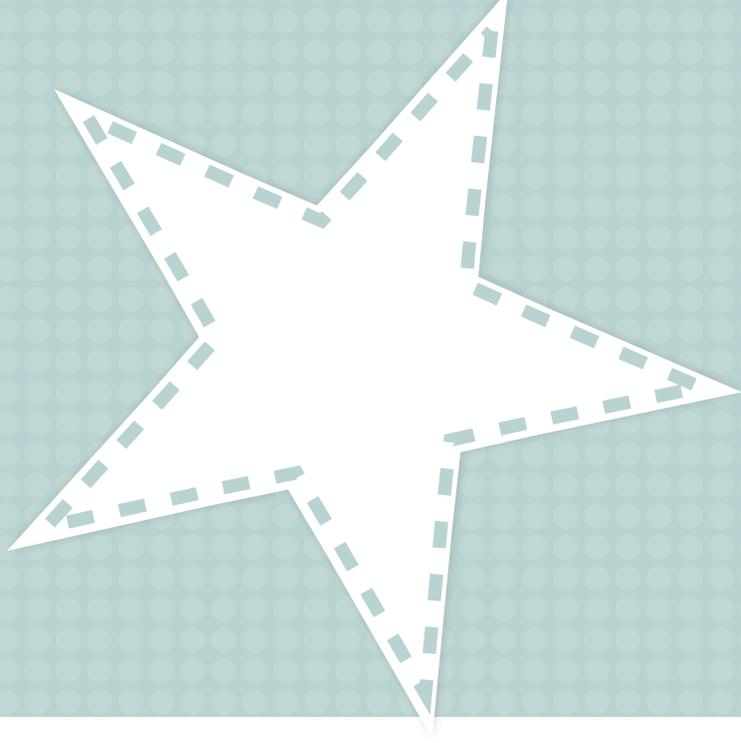

Hi there,

This month we had some good news and some sad news about our club's puppies in training. First off Humble and Lyric have been called back to their formal training. The trainers will review where they left off back in March and give them a refresher Course, then proceed with their phases. Humble was in phase 2 and Lyric was in phase 6 back in March. We are keeping positive thoughts for both of them to be successful.

The other news is that Jenna was Career Changed at 1 year old and returned to GDB to be placed with a family as their pet. Sam and I drove her to OC to return her to the puppy van for her trip back. It is always an emotional day when we have to do this as we want to see our puppies succeed and go on to changing a visually impaired persons life. Jenna will make a great loving pet to a very energetic family. Sam and I will miss her but we know that she will go on to make another family very happy.

Take Care and have a Tail Waggin Day!  
Donna Rindskopf

Happy Birthday to You!
