Hello Corvette Enthusiasts.....

Happy Halloween

Once again, everyone had a great time distance-socializing at our September Picnic/Member Meeting, this past Saturday, at Kit Carson Park in Escondido. Recognition Awards Certificates were presented to the 2019-2020 Board of Directors and Appointees for an outstanding job! You have all made my job so much easier with your endless commitment, hard work and dedication to our Club.....**Thank You All So Much!**

Halloween is up and coming and I am sure it will be quite different this year for all of us! Did you know that there are actually 117 special holidays that people celebrate in October.....such as National Coffee Day, National Name Your Car Day, National Vodka Day, National Transfer Money to Your Son Day, and many more outrageous days of celebration. On a more serious note, there is Columbus Day, Navy Day and Halloween.

Up and coming, we will actually be attending the "Shifting Gears" Car Rally, on Saturday, October 10, 2020. The Rally is sponsored by the San Diego Automotive Museum in their ongoing quest to preserve the past, present and future of motorized vehicles throughout its collections, exhibits and educational programs. We have 10 Corvettes (and their owners) participating. Sam, our Activities Coordinator will be sending out further instructions soon.

Please remain vigilant and stay safe

I look forward to seeing everyone at our future NCoCC Business Meeting when it is safe to do so. Don't forget to visit our website www.ncocc.com

GUIDE DOGS FOR THE BLIND (GDB) REPORT

We are slowing getting back to meeting as a club and socializing our puppies. We have now had two obedience training sessions at Poway Park and our first official socialization with the puppies in public is schedule for October.

In regards to the entire GDB organization, they have slowly started recalling their 'Shelter in Place" dogs and have had a few individual graduations. At this time, formal training between the handlers and their dog are being done off campus where the Handlers live.

On a personal note, Cannoli, one of Kathleen's puppies, has been 'Retired' from guide work and Is now back at home with Kathleen and Dave.

Take Care and have a Tail Waggin Day!
