### ***Hello Corvette Enthusiasts.....***

*Wishing everyone a Happy Valentines Day*

We all couldn't wait until 2020 was over, but it seems as though we will still need to be vigilant in 2021 until everyone is vaccinated and our lives return to a somewhat "normal state" again. However, in spite of COVID we should always remind ourselves to be thankful for all of the little things in life that we are still able to enjoy...especially with our families and friends!

Our Board of Directors has continued to "virtually" meet every month in hopes of planning future club activities and discussing how we can continue to keep in touch with our members. One of the toughest decisions was to cancel Plastic Fantastic for yet another year, but taking all the facts into consideration, and for the safety of all our members and participants, the decision to cancel was the right one to make. We will be trying to secure a 2022 date for the event and I am sure that it will be our best ever!

Upcoming, we are planning to hold our February Monthly meeting/ Valentine's Day Picnic on Saturday, February 13<sup>th</sup>, at Kit Carson Park in Escondido. We look forward to being able to socialize with everyone again.

### ***Keeping you informed.....***

#### **NATIONAL CORVETTE MUSEUM (NCM) REPORT**

The Museum continues to deliver new 2021 Corvettes including the Convertibles. General Motors announced that dealers sold a total of 21,626 2020 Corvettes in the model Year. Our sponsoring dealer, Bob Stall Chevrolet, sold a total of 60 Corvettes in 2020 and was number 38 in the Nation. The Factory is producing 2021's at a variable rate as some parts are in short supply; as of January 26th only 4119 new Corvettes have been produced but they have worked every day so far.

Drive Safely, and DRIVE your Corvettes,

Dwight Alexander

#### **GUIDE DOGS FOR THE BLIND (GDB) REPORT**

Hi All,

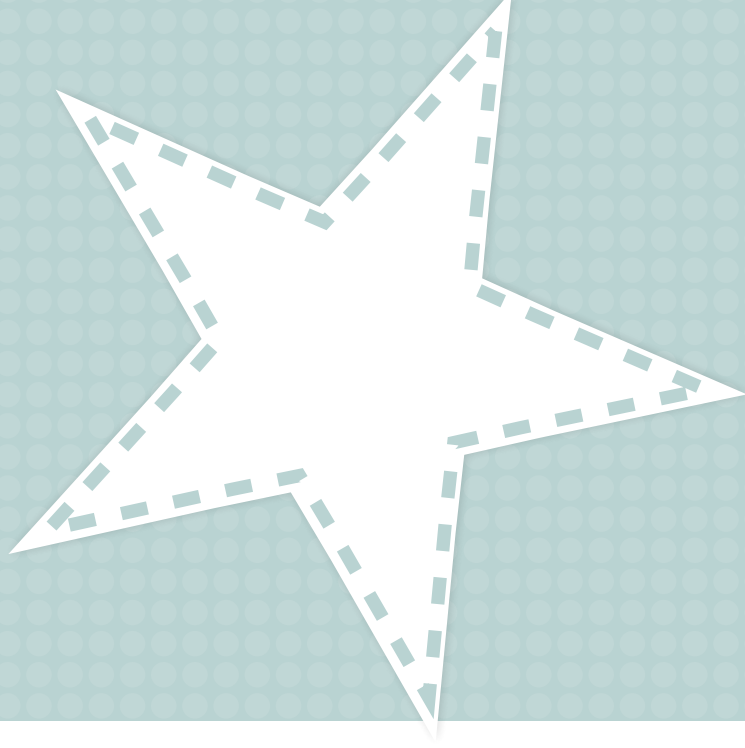

Sam & I got a surprise a few weeks ago with a call from our Community Field Rep (CFR) letting us know that GDB had a few puppies available and wanted to know if we wanted one to raise at this time. Of course we said yes as we had no puppies to train right now. So on Saturday, the 16th of January, we picked up an 8 week old Male Black Lab. His name is "Cam."

Cam is learning how to behave in a crate, relieve on a leash on different surfaces and not have accidents in the house, sit, wait and paw pad training. We had a week or so of sleepless nights but he is getting better. He is learning lots and is a smart little pup.

The first picture is the day we picked Cam up.  
Picture 2 is at home.

Take Care and have a Tail Waggin Day!  
Donna Rindskopf

Happy Birthday to You!
