President's Corner

Hello NCoCC Members,

It is very humbling to be President of NCoCC. This club has good people and has done great things over the years and I hope to see this continue well into the future.

Veterans Day is on November 11th. I would like to thank all of our veterans for their service. We truly appreciate everything you do for our Country.

I just got back from the Borrego Days event. The weather was a perfect 82 degrees with a few clouds overhead. Dave Regenhardt was in charge of the car show part, not just for our club but for the whole car show. Thank you Dave for taking this on. The show had a wide variety of vehicles including VWs (van/Thing/Squareback), Jeeps, off road Razers, muscle cars, a huge convertible Cadillac land yacht, and even a short track racing motorcycle. And of course our Corvettes. There was no parade this year but there was plenty of music, vendors, and food. Fun time for all.

Vettes for Veterans car show in Carlsbad is on Nov 6th. Hopefully you have already signed up, but if not, they are taking day-of-show entries. They have a good showing of Corvettes, the best raffle baskets, and a great silent auction. Hope to see you there.

Planning is under way for our Holiday dinner in December. It won't be as formal as years past, but it will be fun and have plenty of great food. More on this in the coming weeks.

Drive safe

NATIONAL CORVETTE MUSEUM (NCM) REPORT

The Museum Report is replaced by the Bowling Green Assembly Report as the Introduction of the C8 Z06 happened on the 26th of October. A lot of excitement with a 25 Minute Film showing the many facets of it including a 5.5L Flat Plane Crank Engine with Forged Aluminum Pistons, Forged TITANIUM Rods and 670 HP. It will begin production in mid 2022. Many New options and colors available. The front, rear and sides are different from the Base C8 and many new Wheel Options as the Michelins go to a 345 Wide Rear tire.

The Corvette Factory has gone to only 1 shift for awhile letting 1 shift some time off after the 2022 change over.

Get yours on Order,,,and KEEP driving those Corvettes!!

GUIDE DOGS FOR THE BLIND (GDB) REPORT

Hi there everyone,

I hope everyone is enjoying this nice Fall weather. Our puppies are. This month (10/23) we had a little different type of socialization. We went to Lowe's for a scavenger hunt. The raisers and puppies (also a couple of Career Change (CC) Dogs) were given a paper with certain items they had to find in the store then take a picture of their dog showing the assigned behavior (like a sit, stand or down stay) next to the item. The dogs and handlers had a fun experience. After that, Sam & I took Cam to Ontario to meet the GDB Puppy Truck. We were sad to see our CC'd (due to Stargardt) Cam go so soon (11 months), but he will be evaluated for the Dogs for Better Living Organization. This is a school for the hearing impaired and Autistic Children. We hope for his success with them. We also had to say goodbye to Jack as he was assigned for his recall to GDB for formal training on Sunday (10/24). We are sending our best wishes for Jack's success also!
