## President's Corner

May 2014

Dear Fellow NCoCC Members,

I hope all of you had a fantastic Easter! Donna and I had our youngest daughter and her family visit Easter weekend from Reno. She has two little boys that Grandma and Grandpa love to spoil. Our daughter, Tonya, and her boyfriend, Rob, were also around to help with the spoiling of the grandsons. We had a fantastic Easter! We are now turning our attention to Memorial weekend when our other daughter, who also lives in Reno, will be visiting with her family which includes two grandsons too. More spoiling of the grandsons will definitely occur.

On to NCoCC topics. We had a fantastic Wine Run to Temecula! The weather was good, the route was scenic, the wineries were great, and the company was fantastic. We had about 18 Corvettes on the run and one non-Corvette. I am quite sure that everyone had a fantastic time. I know that I did. Many thanks to Gary and Barbara Sadnick for putting this great run together.

Well by now, everyone should have been contacted by a member of our Election Committee (Kathleen Regenhardt, Bob Belzman, and Doug O'Brien) regarding running for a position on the Board of Directors for the 2014-2015 term. If you did not receive a call please send an email to one of the committee members and let them know. I strongly encourage everyone to get involved with the Club through participation on the Board.

Next, I want to talk about Plastic Fantastic. It is rapidly approaching and our Chair Persons, Laura and Jeff Brandon, have been hard at work putting in place all of the last minute details. Additionally, all of the team leaders have been working just as hard to ensure this year's show is the best ever. If you have not volunteered to help, please let me know and I will find a place for you to get involved. Lastly, keep those raffle donations rolling in. We are behind last year's numbers but still doing quite well. Remember, the proceeds from our raffle go directly to support our charity, the San Diego USO.

I also want to remind everyone to keep checking the calendar on our website ([www.ncocc.com](http://www.ncocc.com)) so you don't miss out on any of our upcoming activities.

I will sign off for now and, as always, wish everyone safe travels in your Corvette. I also want to remind you to support: 1) our Club charity the USO San Diego, 2) all of our military men, women and veterans, and 3) our fantastic National Corvette Museum.

*Sam*

# **PLASTIC FANTASTIC XXXVII**

Sunday, May 18th

We will meet at Seaport Village at 6:00 a.m. to get everything ready for when our guests arrive beginning at 7:00 a.m. We really need all Club Members to participate and work the show. After the show ends, at approximately 3:00 p.m., we will all help say goodbye to our guests and then clean-up the park. Once that is complete, we will go to a local restaurant for an early dinner to socialize and recap the day's events.

## Other Events (related to Plastic Fantastic):

Sunday, May 4<sup>th</sup> ~~ Plastic Raffle Organization Meeting, 4:00 p.m., at 9845 Erma Road, Suite 200, San Diego, CA, 92131. BRING ALL YOUR RAFFLE DONATIONS! We will be assessing what we have and if we should be doing any silent auctions this year. We will also decide if we should be combining any donations into baskets. It is extremely important that we collect all the raffle prizes at this meeting and get them ready for PLASTIC.

Saturday, May 10<sup>th</sup> ~~ We will be having a Detail Clinic at 10:00 a.m. at 9845 Erma Road in the parking lot. This will be a great opportunity to share detailing ideas and techniques while getting our Vettes ready to display at PLASTIC the following weekend. Please bring detailing supplies. A hose and electricity will be available at the site.

Sunday, May 11<sup>th</sup> ~~ We will be doing our annual KUSI appearance to gain publicity and support for PLASTIC. We will be meeting at 7:00 a.m. at the KUSI Studio located at 4575 Viewridge Avenue, San Diego, CA, 92123.

Friday, May 16<sup>th</sup> ~~ Plastic Fantastic Site Walk at Seaport Village. We will be meeting at 12:00 p.m. To walk the site and discuss any last minute issues. After walking the site, we will be going to lunch at one of the Seaport Village restaurants.

## *La Jolla Concours D'Elegance*

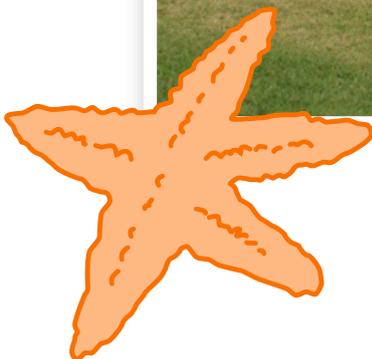

**By Terry Thompson**

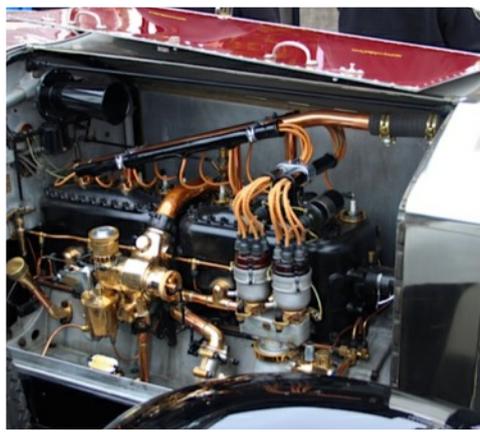

On Sunday, April 13<sup>th</sup>, I departed Poway at 4:00 a.m. and arrived at La Jolla around 4:35 a.m. I had volunteered for the 5:00 a.m. Shift and when I arrived the streets were already blocked with the Police volunteers and Elite security already in place. All the parking down the hill and around the venue was blocked off, so I ended up parking almost at Wind & Sea.

I ended up as the Point Man for the Concours Cars leaving their check-in table. There were three of us (me as point and two others) to guide the cars over the ramps. When we first arrived there were two heavy and rather narrow steel ramps. I told them that I didn't think my car would make it over much less a race car. Sometime later, two larger wooden ramps arrived. However, it was still a bit hard to get the cars to swing wide enough to line up. In the end, I really got to see most of the cars as they entered the event. <<For the Plastic Volunteers... I had a long sleeve t-shirt on under my volunteer shirt. This was very nice through about mid-day.>>

I worked my point position until the car entrance cut off of 10:00 a.m. Afterwards, I went around several times to see all the cars. I even went to the free street event. However, it was not until I departed, around 1:30 p.m., that I saw that this was a lot larger than the part I visited.

I would recommend this event to anyone next year!

## Temecula Wine Country

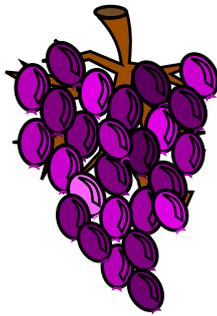

Gary Sadnick

All the elements came together Sunday, April 27<sup>th</sup>, for the run to the Temecula wine country. The weather was perfect as 14 cars left North County Fair for a two hour drive through the back part of the county. The scenery was gorgeous as the line of Vettes went through Valley Center, by Palomar Mountain and Lake Henshaw, around Warner Springs, and the back way to Temecula.

Our first visit was to the Monte de Ore Winery where beautiful vistas of the growing vines were the backdrop to some fine wine tasting. After the group picture, it was off to South Coast Winery for a second tasting. It was almost a disaster as the small tasting room was locked due to some employees calling in sick, but they opened it up for a private tasting and closed it back up when we left.

Then, it was off to the only remaining original Pat and Oscars for a nice lunch. A breeze coming off the picturesque small lake kept everyone cool for an enjoyable lunch.
