President's Corner

April 2015

Hello NCoCC Members,

I hope this month's newsletter finds you all in good health. I'm not feeling up to snuff these past few days. I guess something is going around and I caught it. My doctor has me on antibiotics and cough medicine. I'm really hoping I feel better soon as I always have lots to do around the yard and on the cars.

Speaking of cars, I took our 57 Chevy Nomad to the Deer Springs Car Show. I caravanned to the show with Sandy Mayer in his 63 Vette. Fellow NCoCC member and event organizer, Jack Brackx, greeted us as we entered. Sandy peeled off and parked with the Corvettes and I parked with some of my Tri-Five Chevy Club friends. I'm thinking NCoCC had at least 7 or 8 participants. Some, like me, drove their non-Corvette show cars while others were in their Vettes. The weather was spectacular and it's hard to beat parking on the grass there at the Winery. I was fortunate enough to win an award, which made the day all the sweeter. Jack asked me to be sure to thank all of our members who attended and supported him and his Cadillac and LaSalle Car Club.

I also want to thank all of our members who supported the Marine Corp Trials at Camp Pendleton in support of the USO San Diego. Donna and I were out of town for last year's event but made it a point this year to not schedule anything that would prevent us from attending. This is one of the most emotional experiences I have ever had. Seeing all of these young men and women who have been severely injured during battle competing in the Trials is so moving. This year I think we had about a dozen members attend and support the event. In addition, we were recognized as a sponsor of the event and given a very nice plaque. I believe this is a holdover from when John Dooley was the CEO and earmarked our donation as means to get our Club more recognition. As all of you who attended the meeting when I presented last year's Plastic Fantastic Raffle proceeds check to the new CEO, Judy Forrester, know, we made no reference to earmarking the donation for anything.

Speaking of the USO San Diego and all of the fantastic work they do, I want to remind everyone to get busy and get those raffle donations. Don't be afraid to think outside the box when it comes to soliciting donations. Donna and I have found it best to approach businesses that we patronize, but that doesn't mean you should stop there. Donations can range from automotive related items to items that women would love to win. Of course, I'm not saying that some women wouldn't like to win automotive related items, LoL! Our raffle Chairperson, Renee Toomey, is getting very nervous since she has not heard from many of you. Remember, this is a key part of our Plastic Fantastic Show and all of the proceeds go to support the USO San Diego.

While I was at the Deer Park Car Show, I was talking with our National Corvette Museum Ambassador, Bob Hurst, about membership in the Museum. I'm concerned that we have members in our Club that are not a member of the Museum. I think supporting the Museum is an important part of being a Corvette owner. In addition to the monthly magazine and discounts on merchandise, you are supporting the preservation of the history of the Corvette. This is the only automotive museum in the world that is dedicated to a single model of a manufacturer. If you have never been to the National Corvette Museum, I strongly encourage you to plan a visit. Of course, while you are there go across the street to the Corvette Assembly Plant and take a tour. I guarantee you will not regret it. Check out the National Corvette Museum's website at <http://www.corvettemuseum.org>.

In closing, I want to remind everyone to keep checking the calendar on our website (www.ncocc.com) for new and exciting activities.

As always I wish everyone safe travels in your Corvette. I also want to remind you to support: 1) our club charity the USO of San Diego, 2) all of our military men, women, and veterans, and 3) our fantastic National Corvette Museum.

Monthly Club Event

2015 Marine Corp Trials

Camp Pendleton

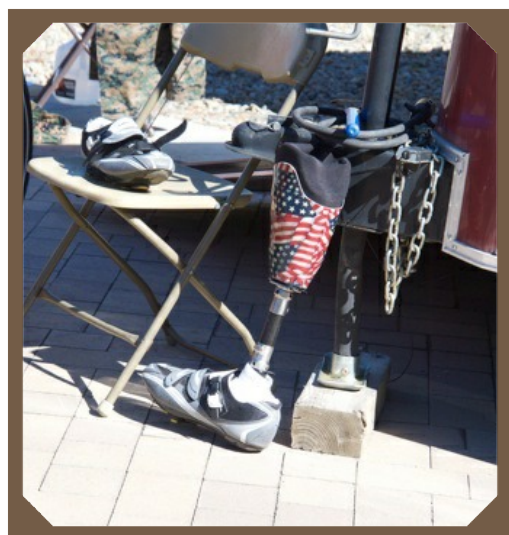

The North County Corvette Club, volunteering with the USO San Diego, supported our Wounded Warriors on March 3rd at the Marine Corp Trials. We had 16 volunteers. For those that attended, I say 'thank you' for taking your personal time to provide support for the USO and these brave young men. A special thanks to Bobby Woods who arranged for me to be driven to all the venues.

**Deer Park Car Show
Hosted by the San Diego Cadillac and LaSalle Club
March 22nd**

This show was held at the Deer Park Winery (Vintage Wine / Car Museum). This is the largest collection of convertibles in California, and maybe the nation, according to the Curator working on Sunday. It was a great location for a shady show. 101 cars were registered; most due to the hard work of Jack Brackx. Sam Rindskopf won first place with his Nomad and both Rick and Renee Toomey won raffle prizes.

PLASTIC FANTASTIC XXXVIII

MAY 17TH

Calling all NCoCC Members!

We have a little less than two months until Plastic which will fly by like there's no tomorrow. So, it's time for you to think about an item (or items) you would like to donate for the raffle or for the silent auction we plan on having as well.

Since both will be donated by the membership or by businesses, it's up to us to make sure there are enough nice items on the tables so our members and guests will want to buy a lot of raffle tickets or bid high for the silent auction items. Remember, the ENTIRE proceeds for the raffle and silent auction will be donated to our charity, the USO of San Diego.

Suggestions for raffle items: car care products, corvette themed items, emergency or first aid kits, fire extinguishers, gift cards, home décor items, nice personal items, small travel accessories, wines/liquors, snack foods in a basket, etc. Most of you have attended many car shows and know the kinds of things you would like to win.

If you do not feel you have time or don't know what you would like to contribute, you can also send a check made, payable to NCoCC, with a note that the check is to be used to help pay for raffle items. If you would like to mail the check, you can send it directly to me at 5334 Camino Jasmine, Bonsall, CA, 92003. I will see that it gets to the treasurer at the next meeting.

In order to allow the raffle committee to organize the items you choose to donate, we would like to have the items brought to the April meeting. I will have my SUV there so I can transport the items to my home. If you decide to create a basket of some sort, please remember to keep the height of the basket low so it can be transported home by the lucky winner. Trunk and cabin space in Corvettes is at a premium as you all know.

If you do not plan to attend the April meeting and will be donating something, please send me an email at mrsr2me@yahoo.com telling me what it is so I can add it to the list and then bring it to the show in May.

We have already received a few raffle prizes from members and promises of other, but the numbers are nowhere near what we believe we will need to satisfy the number of entrants in the show.

Another thing, if you would like approach a business you deal with for a prize, we will be very happy. Sam has a letter all ready to give to prospective donors that explains we are not a 501c3 charity so the items would not be deductible as a donation but could still be written off as a normal business expense (advertising/promotion). Sam said he would send the letter out to all members in the next few days.

Looking forward to a successful show and raffle,
Renee Toomey & Kathy Buie

El Centro Air Show
March 14th

Five corvettes departed the PQ Park and ride at 8:10 bound for El Centro Air Show. We made a nice cool rest stop at the Golden Acorn Casino. The winds were a bit gusty around the Boulevard area. The air show arrival was around 10:10, with the show start at 11:00. As it turned out, they did not allow coolers into the show. I took in most of the static displays and of interest there were some unique aircraft. Some of which were: PB4Y(B24), B25, B52, P39, P38 and a P51 "B" model. I had to depart early to return for another function, therefore, I did not get to see the Blue Angels. They routed the cars out the back side of the base and along a long rough dirt road. I know that I hit some weeds along the way! I am sure that some of the others will provide their thoughts on the show at our next meeting.

Our Club

Club members enjoy planned trips, car shows, fun runs, auto rallies, and a host of social and Corvette-related events, including a Holiday Party, an Annual Recognition Dinner, and the NCoCC Plastic Fantastic all Corvette Show at Seaport Village. We support local communities in the San Diego County area by participating in special event parades and high school homecoming events. Our members also devote a time, energy, and resources in supporting our club charity, the USO (United Services Organization).

Meetings

Business Meetings are held the second Tuesday of every month at 7:00 p.m. in The Well Church Meeting Room located at 13604 Midland Road, Poway, CA. We always welcome and encourage guests to attend our meetings and to participate in our club sponsored events.

For a map of our meeting location, please go to our web site at www.ncocc.com.

Membership

Membership is open to anyone at least 18 years of age who owns a Corvette. Applicants must attend two business meetings and participate in one club event before becoming a member.

Membership in NCoCC entitles you to:

A membership card for you and your significant other.

Discounts on parts and service at participating dealers (Bob Stall and others).

A club T-shirt.

A name tag.

A newsletter via Email and/or the web site.

Members are expected to attend Business Meetings, maintain current dues, and support the club by serving on committees and participating in club events. Initiation fee is \$25. Dues are paid in advance: \$75 for one year.

We hope this short introduction is helpful. If you have any questions, please contact us via email: info@ncocc.com.
