# President's Corner

Hello North County Corvette Club members,

We are now into the busy time for the club with Plastic Fantastic just around the corner. Remember to bring your GREEN North County shirt and FRS radios to the show so our guests can identify our members and we can communicate. We have 400 cars registered for the show and Dave from Corvette Online will be present.

Here is a link to the article about last year's show:

<http://www.corvetteonline.com/news/north-county-corvette-clubs-39th-plastic-fantastic-show/>

(you can copy and paste it into your browser to access the article).

This year we will have our own North County Corvette Club shade tents at the show to make it easier for guests to identify us and the raffle booth.

This should be a great show and I look forward to everyone helping on the day of the show both before and after.

Thank you to Sam and his teams for putting together this show. I also want to thank Kathleen Regenhardt for all of her hard work handling registration!

We will have our pre-show appearance with Dave Stall at KUSI the Sunday before the show.

Thank you to Tim Murray for helping out the Miss Carlsbad Pageant by driving both Miss Carlsbad and her court in the Lakeside parade. He allowed his friend to drive the second car and I drove Miss Teen Carlsbad.

Matt, from Russo and Steele Auctions, has contacted me to get the volunteer list of people helping at the auction in Newport Beach on June 3rd. This is your opportunity to drive some very nice cars to see what fits you best as a backup to your Corvette.

We also have the Club Elections coming. We're accepting nominations during the May business meeting with voting coming in June. The board positions are open to all members. If you would like to see something done differently here, this is your chance! I encourage all members to participate and be a member of the board.

Thanks to the current board for the support and help during my term as President!

Proud to be a member of North County Corvette Club,

Rick Toomey

## MESSAGE FROM THE EDITOR

Another month is in the record books, more rain, roof leak, and now lots of sunshine.

The C4 rally was a success but just a little hair raising and motion sickness inducing.

Rick and Tim volunteered to drive Miss Carlsbad and her court at the Lakeside Rodeo Parade. Tim brought along a friend so they would have 3 convertibles there.

Plastic Fantastic is just around the corner and I'm working on a quilt for the raffle.

Nominations will be taken at the May business meeting and we'll vote for the next board at the June meeting.

Thanks to everyone who contributed to this newsletter. You are the greatest!

Renee (mrsr2me@yahoo.com)

## **PLASTIC FANTASTIC RAFFLE**

**Hi NCoCC members;**

**It's me, Lynn Grindstaff, your Plastic Fantastic Raffle Chairperson! Thank you to everyone who either donated money or prizes for our raffle. If you have not already done so, you can still donate money instead, please bring it to the May meeting so a raffle prize may be purchased for you.**

**Also, if anyone has received any LARGE donations, please let me know about those as soon as possible. The number of these larger donations may help to determine if we will have a silent auction this year or stick with lots of "regular" prizes.**

**Even with a late start, let's make this year's Raffle a great one!!**

**Thanks,**

**Lynn**

# 2017 NCoCC C-4 Challenge Rally

**Saturday, April 15, 2017**

**Picture and Narrative Courtesy of Dave Kitchen**

While some procrastinators were diligently preparing their taxes, NCoCC members participated in the C-4 Rally, testing their driving skills and the patience of their navigators while circumventing a windy course in Valley Center.

Seven cars showed up to commemorate the C-4 Corvette, competing in the most challenging NCoCC Rally thus far. This Rally was a Hare and Hound Rally with a G-man twist, which included drops along the route that contained an Easter Egg, 15 bonus points and some of the answers to questions participants needed to answer concerning the C-4 Corvette.

The route picked for this Rally was not for the faint at heart as several of the twists and turns required expert skills to test the cornering abilities of the various Corvettes participating, while avoiding on-coming traffic and some bicyclist who must have been mesmerized by the onslaught of roaring plastic cars. There was some drifting observed along the route but all Vettes completed the course in pristine shape.

Various stories about the antics of the day were shared at the Gopher Hole Restaurant at Castle Creek Golf Club.

As always, the Rally packets were completed and the results of the Rally will be announced at the next General Membership Meeting on the second Tuesday of May.

# LAKESIDE RODEO PARADE

**April 29, 2017**

Rick and Renee have volunteered to drive the Carlsbad High School Homecoming Court for the last few years.

This year, Rick was approached about driving Miss Carlsbad and her court at the Lakeside Rodeo Parade in Lakeside, CA. Rick roped Tim Murray and one of Tim's friends into volunteering as well.

They had a good time but boy was the parade long! Some of the first groups that went out onto the parade route returned to the staging area where Rick and Tim were before they even started their drive!
