President's Corner

July 2013

Hello Fellow NCoCC Members,

In last month's newsletter, I told you that it would be my last President's Corner, but Kathleen says that I am still the President through the end of June. So, I get to do one more and here it is.

In contrast to May, June has been a relatively quiet month. On June 22nd, a group of our members went to the Bob Stall Chevrolet in La Mesa for their Grand Re-opening Car Show. This essentially was the Endless Summer show that did not occur in October because of their remodeling. It was a very nice, low key show and it was great to support Bob Stall who has been our sponsor for many years. Then on June 15th, many of us went back to Bob Stall Chevrolet for a hosted lunch from Phil's BBQ. The food was great and they created a really nice atmosphere with music and raffle give-aways. They also had a very nice display in the showroom of Vettes from the different generations. On behalf of NCoCC, Gary and Sharon Wood displayed their 1960 Convertible and Jan Houshar displayed his 1969 Coupe.

By the time this newsletter is published, we will have had a party at the Toomey's residence (which will also be the Past President's Picnic). Knowing Rick and Renee, I am certain the party will be great and we will all have had a wonderful time. I would also like to thank Rick and Renee in advance for hosting the party. It is always a lot of work to put on a party for a lot of people and I really appreciate them taking it on and allowing me to combine the Past President's Picnic with their event.

Well, that's all for this month and for me as the President's Corner writer. Please remember to visit our Club website at www.ncocc.com for additional info about upcoming events. Also, please remember that our next Business Meeting will be on Tuesday, July 9th and we will be officially welcoming our new Board as they take over leadership of the Club. Finally, we will have a guest appearance by John Dooley of the USO and will be presenting him with a check for \$4,831 from our Club for the monies that we raised at Plastic this year.

All the best,

Jay

60 Years of Cool

General Motors design chief, Bill Mitchell, loved the Corvette Super Sport race car so much that he rescued it from the crusher, re-skinned it, and went racing as a privateer. The wheelbase grew to 92 inches, and power improved to 315 horses in the process. Dick Thompson raced it in the Sports Car Club of America's C-Modified class in 1959 and '60 and won the championship that second year. The Stingray eventually added "Corvette" badges and went on the show circuit as a concept car in 1961. It will always be remembered as a great racer and the precursor to 1963 to 1967 Corvette styling.

Recently, Bob Stall Chevrolet extended an invitation to the three Corvette Clubs that it sponsors; North County Corvette Club, Corvettes Owners Club of San Diego, and Corvettes of San Diego. Many members of the North County Corvette Club were able to attend this invitation for a barbeque lunch.

This special event was held to highlight their remaining 2013 Corvettes. Everyone got to eat Phil's BBQ and got two raffle tickets. Two of our club member's cars were on display inside the showroom; Jan Houshar's 1969 Corvette and Gary and Sharon Wood's 1960 Corvette.

A live band played throughout the event and Dave Regenhardt spoke on behalf of our club.

Do you know why there is a french symbol on the Chevrolet Corvette?

In 1953 before the release of the Corvette, Chevrolet had designed a new emblem for its new sports car. This emblem had two flags with crossed shafts. One flag was the familiar checkered flag and the other was the American flag. However, this created a problem. Ten years prior, Congress had passed the National Flag Code into law (Public Law 77-623 chapter 435) and one of its provisions prohibits the US Flag from being used "for advertising purposes." Only one example of the original emblem exists today and it can be found in the Corvette Museum in Bowling Green, Kentucky.

Not wanting to break federal law, Chevy began looking within the company history for a replacement for Old Glory. While researching the company's founder, Louis Chevrolet, the idea arose that maybe a family crest would yield a suitable flag or emblem. Since this search did not produce a replacement, the powers that be then decided since the word "Chevrolet" has its origins in France, they would use the French symbol for purity - the Fleur-de-lis.

Our Club

Club members enjoy planned trips, car shows, fun runs, auto rallies, and a host of social and Corvette-related events, including a Holiday Party, an Annual Awards Dinner, and the NCoCC Plastic Fantastic all Corvette Show at Seaport Village. We support local communities in the San Diego County area by participating in special event parades and high school homecoming events. Our members also devote a time, energy, and resources in supporting our club charity, the USO (United Services Organization).

Meetings

Business Meetings are held the second Tuesday of every month at 7:00 p.m. in The Well Church Meeting Room located at 13604 Midland Road, Poway, CA. We always welcome and encourage guests to attend our meetings and to participate in our club sponsored events.

For a map of our meeting location, please go to our web site at www.ncocc.com.

Membership

Membership is open to anyone at least 18 years of age who owns or leases a Corvette. Applicants must attend two business meetings and participate in one club event before becoming a member.

Membership in NCoCC entitles you to:

A membership card for you and your significant other.

Discounts on parts and service at participating dealers (Bob Stall and others).

A club T-shirt.

A name tag.

A newsletter via Email and/or the web site.

Members are expected to attend Business Meetings, maintain current dues, and support the club by serving on committees and participating in club events. Initiation fee is \$25. Dues are paid in advance: \$75 for one year.

We hope this short introduction is helpful. If you have any questions, please contact us via email: info@ncocc.com.
